

COURT OF INQUIRY IN SECRET SESSION

Investigating Conditions in Coast
Artillery Behind Closed
Doors.

(Special to The Times-Dispatch.)
Norfolk, Va., February 1.—The court of inquiry, recently named by Adjutant-General Sale and Governor Mann to investigate conditions in the Coast Artillery of Norfolk and Portsmouth, began its sessions this morning in Company A room, Armory Building. The sessions are behind closed doors, and nothing is known as to the character of the evidence submitted, or the direction of the inquiry.

The entire board was present, consisting of Major Stanley W. Martin, of Lynchburg, as president; Captain L. French Johnson, of Norfolk, recorder; Major Clinton Wright, of Norfolk, and Major E. W. Bowles, of Richmond. No attorneys are present. It is known that the officers of the four Coast Artillery companies have been called for examination to-morrow morning.

The members of the board declared to-day that they would thoroughly sift the various reports as to conditions in the commands, even if it is necessary to call every officer, commissioned and non-commissioned, and the privates in this branch of the service here.

CAROLINA DEFEATS DURHAM Y. M. C. A.

University Team Wins One-
Sided Game by Score of
60 to 18.

(Special to The Times-Dispatch.)
Chapel Hill, N. C., February 1.—Carolina won from the Durham Y. M. C. A. in basketball to-night by the score of 60 to 18. The contest was very one-sided, and Carolina would undoubtedly have run up a much larger score except for the delay caused by large number of fouls called.

Durham threw only four goals from scrimmage, their other ten points being scored on free throws.

The game started off ragged, neither side making a basket in two minutes. The variety showed some pretty things, but after this, but at times was miserable. Durham took the lead in the first half, but Carolina won the game by a score of 60 to 18.

The latter threw two goals from scrimmage and ten from fouls out of twelve chances. Line-up: North Carolina—Garrison, Flood, Hanes, Ritch, Captain Macknight, forwards.

South Richmond Bureau.

Harry Earl, of 34 South Cherry Street, who acted last Tuesday night while he was watchman at the Independent Oil Company's plant in the Southside laid him open to surprise when he attempted to crack the company's safe on that night, was given a hearing before Justice Maurice in Police Court yesterday morning and sentenced to thirty days in jail.

The court gave Earl ample opportunity to explain his curious movements on that night, but the lengthy statement that the prisoner made to the justice tended to damage rather than aid his cause. He admitted that he had been drinking rather heavily in the night that the attempt on the safe was made, but asserted that he was rendered unconscious by a blow over the head while he slept. To explain away the lack of any sound or alarm of the safe being

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours. I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thank to you, I am free from all that this morning. You can use this in behalf of curing your money back."
